

TEAL, LOST LAND and GHOST LAKES IMPROVEMENT ASSOCIATION, INC.
BOX 214 • HAYWARD, WISCONSIN 54843

2019 APPLICATION FOR NEW MEMBERS

We invite you to become a member of the Teal, Lost Land and Ghost Lakes Improvement Association. It was founded in 1947 by homeowners and resort operators. Today, it represents permanent and seasonal residents and resort owners who live on or within one mile of any of the three lakes. In 2003, our by-laws were changed to include renters and campers who spend at least 30 days per year on or adjacent to Teal, Lost Land or Ghost Lake.

The purpose of this Association is to provide a central forum for communication of information to its members and to foster volunteer action and support by its members as to:

- the improvement of water conditions, as regards the propagation of fish, sanitation and prevention of pollution of any kind in Teal Lake, Lost Land Lake and Ghost Lake (the Quiet Lakes);
- the preservation of the natural environment and protection of the aesthetic values of property located in the general area of the Quiet Lakes; and
- advocacy for the Quiet Lakes to outside parties.

Membership dues are only \$20 per year. Some of the benefits of becoming a member include:

- having a voice in issues impacting our lakes
- meeting and socializing with your neighbors
- becoming and/or supporting one of the hard-working volunteers who generously donate their time
- voting for the leadership of the Association
