I am RENEWING my membership

We invite you to become a member of the Teal, Lost Land and Ghost Lakes Improvement Association, Inc. – popularly known as the Quiet Lakes Improvement Association (QLIA). Our organization was founded in 1947 by lakeside homeowners and resort operators. Today, we represent permanent and seasonal residents and business owners who live on or within one mile of any of the three lakes. In 2003, our by-laws were amended to also include renters and campers who spend at least 30 days per year on or adjacent to Teal Lake, Lost Land Lake, or Ghost Lake.

Our Mission: To provide a forum for communication that fosters support and volunteer action to maintain ecosystem integrity, good water quality, good fishing, and aesthetically pleasing recreational experiences in Teal, Lost Land, & Ghost lakes.

Membership dues are only \$30 per individual for an annual membership, regardless of the number of household family members. For every paying individual in your household, please complete a separate form. **Each individual member receives the following benefits.**

- * **Voting for Association Leaders and Major Decisions involving QLIA governance and expenditures**
- * Meeting and socializing with your neighbors
- * Becoming and/or supporting the hard-working volunteers who generously donate their time and talent to the following QLIA projects: Water quality monitoring, nuisance aquatic plant control, fish stocking, fish habitat enhancement, navigation safety, picnic facility maintenance on Teal Lake islands, and Project LoonWatch.
